A Day with John

“A Magic Pool, in which a child can paddle
and an elephant swim.”

(Nicholas King SJ)

Led by Deacon Bob Birtles

Bob has been fascinated and driven by the study of Scripture inspired by a BD
from Heythrop College, University of London in 1977.

He is married to Marion and they have two grown up sons.

He was ordained Deacon in 1984.

Bob was originally trained in a scientific discipline with a BSc in Physical Sciences
from Surrey University in 1973—which goes to show that it is totally false to say that
Science and Theology cannot be reconciled!

The day runs from 10.00 – 4.00

Suggested offering: £15 to include refreshments throughout the day and simple lunch.
